

# Is your home's **wildfire risk** higher than you think?

We compared the wildfire risk of 965 properties in Santa Fe to what homeowners thought their risk was, **and here's what we have to say.**

<https://santafe-wire.hub.arcgis.com>

## **You can reduce your wildfire risk.**

Visit our website for more information about:

- Reducing risk on your Santa Fe property
- Creating an evacuation preparedness plan
- Assistance in reducing your wildfire hazards
